5. Apply any *seven* proof-reading symbols to the paragraph below in reference to the correct version of it:  $2 \times 7 = 14$

A ti me wiill come when thepoet wil no lon ger bee in ths world.

Spring wi ll comeas usuaal and gren leave will fil th branches of the

tres with neww beauty in the month off May.

**Correct Version**

A time will come when the poet will no longer be in this world.

Spring will come as usual and green leaves will fill the branches of

the trees with new beauty in the month of May.
